ELECTION

Sir:

This is in response to the United States Patent and Trademark Office Action mailed October 6, 1999, which response is being made on or before November 6, 1999, and for which no extension fees are due.

The Examiner has identified eight patentably distinct inventions and has required an election to be made.

Applicant hereby elects group I (claims 1-8).

Applicant reserves the right to file, at a later time, additional applications claiming priority from the present application and which are directed to any one or more of the other inventions.

Respectfully submitted,

Mark M. Friedman
Attorney for Applicant
